TEYMUR BABAYEV

Senior Full Stack Developer

Profile

I believe that even details that are not easily visible are important parts of design.

As a passionate and skilled and sincere Senior Full Stack developer with 9+ years of hands-on experience who is always dissatisfied with myself, learns humbly, and has the spirit of completing to the end what I starts.

Moreover, my proficiencies with various Responsive WebDesign, SEO, Restful API along with online marketing skills leveraged to optimize many kind of WebSite post-development by increasing its ranking and driving traffic.

Work Experience

B2X.tech (www.b2x.tech) 2021 - 2023
